PUBLIC CONSULTATIONS IN THE PREPARATION OF THE 2012/13 -2014/15 MEDIUM TERM EXPENDITURE FRAMEWORK (MTEF) BUDGET

The Constitution of Kenya 2010 requires public participation in the budget making process. In view of this, the Year 2012/13 – 2014/15 MTEF budget making process will involve countrywide public consultations. The overall objective will be to identify the key development issues, strategies and sector priorities to be considered in the National Budget. The public consultative process will lay the foundation for building the capacity of the public to participate and contribute in the budget making.

Public consultations will be through targeted focused group discussions and submission of written memoranda. Various interest groups will attend the meetings by invitation, while other members of the public will be free to individually or collectively submit written memoranda at the scheduled venues or to the Ministry of Finance, Treasury Building, Harambee Avenue, P.O. Box 30007 - 00100, Nairobi. Telephone: +254-020-2252299 or e-mail psfinance@treasury.go.ke
