

**REPUBLIC OF KENYA
THE NATIONAL TREASURY & PLANNING**

NOTICE TO THE GENERAL PUBLIC

The National Treasury and Planning has Developed draft **Public Investment Management (PIM) guidelines.**

The PIM guidelines are intended to streamline the use of government resources on projects at the National and County Governments level as part of the efforts for reforms in Public Finance Management. The various reforms in the public sectors' financial management are meant to spur economic growth and development.

The general public is requested to access the draft Public Investment Management guidelines from the National Treasury website <http://www.treasury.go.ke>. and email their written comments to pimunit@treasury.go.ke on or before 14th September, 2018
