

THE NATIONAL TREASURY

PUBLIC FINANCIAL MANAGEMENT REFORMS SECRETARIAT (PFMR)

The National Treasury has initiated several Public Financial Management Reform (PFMR) initiatives under the PFMR strategy 2013-2018. The Agence Française de Développement has agreed to support the implementation of the PFMR Strategy, along with a sectoral budget support - GESDEK - financed by the World Bank, which uses the “Program for results” tool.

The PFMR Secretariat of the National Treasury will monitor the implementation of the TA support in conjunction with the other departments of the National Treasury and the Office of the Auditor General.

Expertise France would like to recruit a **Project Coordinator** in support to the PFMR Secretariat for a fixed term contract period of 36 months.

Detailed information for this position can be obtained from www.pfmr.go.ke/vacancies or www.treasury.go.ke/vacancies
