THE NATIONAL TREASURY & PLANNING

FINANCIAL SECTOR SUPPORT PROJECT

CONSULTANCY TO DEVELOP SPECIFICATIONS FOR A DATA WAREHOUSE, FINANCIAL ANALYSIS TOOLS AND INFORMATION TECHNOLOGY INFRASTRUCTURE FOR THE KENYA DEPOSIT INSURANCE CORPORATION (KDIC)

REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – FIRMS SELECTION)

FSSP/PIU/KDIC/45/2018-19

Credit No: 5627 KE
Project ID No: P 151816

1. The Government of Kenya (GoK) has received financing from the World Bank towards the cost of the Financial Sector Support Project (FSSP) whose overall development objective is to strengthen the legal, regulatory and institutional environment for improved financial stability, access to and provision of, affordable and long term financing. It is intended that part of the proceeds of this credit be applied to eligible payments under the contracts to consultancy to develop specifications for a data warehouse, financial analysis tools and IT infrastructure for the Kenya Deposit Insurance Corporation (KDIC) to be implemented over a period of ten (10) months.

2. Objective of the Assignment

The overall objective of this consultancy is to support the Kenya Deposit Insurance Corporation assess information technology requirements and develop specifications for a data warehouse system, business intelligence tools and attendant IT infrastructure, including supervision and implementation of the chosen ICT Solutions.

3. Scope of the Work

The scope of work of the assignment will cover, but is not limited to the tasks described below:

- Conduct a detailed assessment of the information technology needs in the Corporation;
 - Study the existing information systems and provide proposed process flows for information;
 - Develop detailed specifications of the systems to be procured covering both functional and technical specifications;
 - Prepare a detailed work plan for procurement and implementation of the system including hardware above;
 - Develop a framework and high level architecture for integration of current information systems within the Corporation and their linkage with the proposed data warehouse System;
 - Develop tender documents for the system and hardware;
 - Provide recommendations on relevant training and capacity building for members of staff required to adequately utilize the system;
 - Assist in the Tendering Process including participation in technical evaluation of bids;
 - Supervise deployment of all project components for the ICT system;
 - Perform project management of all work streams.
4. The National Treasury (the Client), through its Project Implementation Unit (PIU), now invites **eligible consulting firms “Consultants”** to express their interest in providing this service. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Service for a similar institution. The consulting firm and its consultants should have extensive experience in the financial sector. This should include in-house capability in providing consultancy services in the fields of information requirements review, enterprise resource planning; implementation of information repositories and financial analysis tools for financial regulatory or comparable institutions; business data consolidation and analysis. The shortlisting criteria are: (a) Consultancy experience;

(b) Relevant job assignments undertaken in the last five years in the field of systems development, business process reengineering, implementation of data repositories and analytical tools; (c) Experience in developing/emerging markets.

5. The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's Guidelines: *Selection and Employment of Consultants* [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers published in *January 2011* and revised in *July 2014* ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.
6. Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications.
7. A Consultant will be selected in accordance with Consultant Qualification Selection (CQS) method set out in the Consultants Guidelines.
